TRADE AND DEVELOPMENT BOARD
Special Committee on Preferences

GENERALIZED SYSTEM OF PREFERENCES

Scheme of Canada

Amendment

The Secretary-General of UNCTAD has received the following communication from the Permanent Mission of Canada concerning changes made in that country's scheme of generalized preferences:

"Effective 10 April 1992, Canada has extended eligibility for treatment under the General Preferential Tariff - GPT (Canada's GSP scheme) to the following countries: Armenia, Estonia, Latvia, Lithuania, Russian Federation, Slovenia and Ukraine.

I should also clarify that the remaining former republics of Yugoslavia are currently not eligible for GPT treatment, as a result of Canada's withdrawal of GPT benefits from Yugoslavia on 1 December 1991. Goods originating from these republics receive MFN treatment."
